

## Candidates for City of Washington, GA Municipal Election

On November 7, 2023, City of Washington voters will elect four individuals including one Mayor, one City Council member (District 1), and two City Council members (District 2). Former Councilman Larry Hill resigned 8-25-23 to run for Mayor, vacating his District 1 Council seat before the term expired and thereby creating a fifth seat vacancy. Hill's vacant Council seat will be filled via special election at a later date, and the winner will serve the remainder of the unexpired District 1 Council term.
